# Become a Nebraska Main Street Network Partner

Those with an interest in historic preservation and want to see communities repurpose historic commercial buildings, those with a downtown business, and those with interest investing in the economic vitality of Nebraska downtown business districts are encouraged to join the Network.

Jeff Ray, JEO Consulting,  
Nebraska Main Street  
Network Board of Directors

“By joining our community of Nebraskans who have an interest in downtown development, revitalization and historic preservation, you will have an important role in helping Nebraska communities make their downtowns sources of civic pride and economic vitality. Your involvement in the Nebraska Main Street Network will be a great asset and we look forward to getting to know you.”

## Who We Are

The Nebraska Main Street Network Partners are comprised of individuals, organizations and businesses that are involved in creating vitality and success in downtown and neighborhood business districts across the state. We support the programming and services to help communities across Nebraska strengthen their economies of the Nebraska Main Street Network.

*“Beatrice has made progress and great things are happening! Our recent success is attributed to being a designated Nebraska Main Street Community. With help from the Nebraska Main Street Network, we have increased engagement with our stakeholders and through that have learned to be more strategic in our downtown revitalization efforts and more efficient in the management of our organization. The Main Street program has helped us realize new progress and investments in our community.”*

Michael Sothan, Executive Director  
Main Street Beatrice
