

What makes Nebraska's Main Street and Network communities successful? The hard work they put in to learning how to create a stronger sense of place while providing the resources businesses and entrepreneurs need to succeed. Communities look to the Nebraska Main Street Network to provide the opportunities for guidance and education that help them to help their downtowns.

## Nebraska Main Street Network

"Making History From History"

### Board Goals/Measurable Outcomes

- Nebraska is known for its great downtowns
- Expanded membership, staffing, & sustainable funding
- Stability of finances, board, staff, communities
- Increased impact

# Responding to COVID-19

#### Helping our Main Street communities and Network members respond to unique challenges

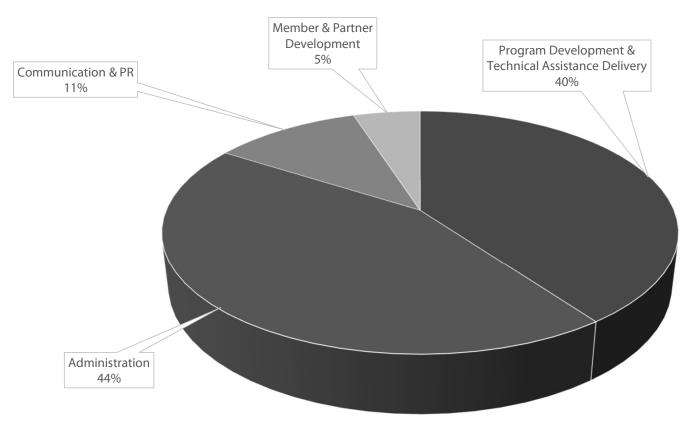

- Counselor, connector, information curator
  - Covid-19 resource page on our website
  - 1,067 visitors to that page
- Network call + request for more thru year
- Webinar "Navigating a New Reality"
- Addressing local executive director mental health and local challenges
- Forced us as a board to adopt a monthly board meeting date and time using virtual tools to connect
- Allowed us to build stronger relationships with other coordinating programs in our region through monthly Western Coordinator ZOOM meetings
